Default branch renamed to "main"

We've renamed the default branch from master to main for all NetApp technical documentation repositories in [GitHub](#). This change is part of our ongoing efforts to remove non-inclusive language in our technical documentation.

The screenshot displays the GitHub repository page for **NetAppDocs / occm**. The repository is currently on the **main** branch, which has 91 branches and 0 tags. The repository is owned by **akseldavis** and has 2,451 commits. The repository is open-source documentation for NetApp Cloud Manager.

The file list shows the following files and their commit history:
